

Are you the parent or carer of a child living with Usher syndrome Type 1?

We are recruiting research participants to be interviewed in a University of Melbourne study exploring parent/carer support needs.

Who can participate? Parents or carers of a child who has Usher syndrome Type 1 and who is aged 9 years and over.

What would you need to do? Discuss your experiences and support needs in a one-hour online interview.

Click here to check your eligibility and find out more or contact Dr Karyn Galvin (kgalvin@unimelb.edu.au or 03 9035 5323)
